Volunteer Role Description
Community Events Volunteer

Why do we need your help?
The Brain Tumour Charity needs help both to raise awareness of the cause and to raise funds. By volunteering at one of our events local to you, you will represent the Charity, offer practical support and help us to spread the word about our work.

What will I be doing?
This is an ‘as needed’ role and we will get in touch with you when there are opportunities available in your area. Within the role you could do one, or all, of the following activities:

- Attend events, such as sponsored walks, fetes, awareness stands, and gala dinners to represent The Brain Tumour Charity.
- Attend Charity collection days to help raise vital funds
- Tasks at each event will vary from carrying a collection bucket, selling raffle tickets or merchandise, looking after a stall, handing out flyers, selling refreshments etc.
- You will be the ‘face’ of the Charity locally and will be able to tell people about our work and how they can support us.
- We contact you as and when events come up to check your availability

What skills/experience do I need?
- A personal and friendly manner
- The ability to stand for a couple of hours at a time
- Confidence to interact with the public
- Flexibility to be called upon when needed
- An honest and trustworthy nature

How much of my time would you like?
This is a flexible and ad hoc role. We would like you to attend 6-12 events across the year if you are able to but we understand it depends on the timing of community events in your area and your availability.

How will I be trained and supported?
- You will receive a full induction to The Brain Tumour Charity and to your role here
- You will have a member of staff as a named contact who will support you and answer any queries you have
- You will be given any equipment necessary to carry out your role

What can I gain from volunteering with you?
- The satisfaction of knowing that you are making a valuable contribution to the lives of those affected by brain tumours
- Utilising your existing skills as well as developing and learning new ones
- The opportunity to meet new people and speak to people about the work of the Charity
- The Brain Tumour Charity will act as a referee for you after successful completion of your role
- Reimbursement for any expenses incurred (with prior agreement)
