All Party Parliamentary Group on Brain Tumours

Invite your MP

We would encourage you to invite your MP to attend. MPs represent you and play an important role in the national debate over cancer policy, the priorities for the future and holding those responsible to account. We want them to be aware of the unique challenges that face people affected by a brain tumour and the actions they can take to face those challenges.

Use http://www.parliament.uk/mps-lords-and-offices/mps/or www.theyworkforyou.com to find the details of your local MP.

When you have found your MP, send them a letter or email invitation and highlight your personal involvement. A letter may be more effective as MPs are inundated with emails.

- Describe your own experiences and why this cause matters to you.
- Make it clear that you are a constituent of the MP. Remember to include your home address for this purpose.

If you require more guidance on what to write to your MP please contact policy@thebraintumourcharity.org

If you would like to attend, the meeting will be at 4-6pm on December 9th in Committee Room 15 at the Houses of Parliament, London, SW1A 0AA.

Please could you RSVP to policy@thebraintumourcharity.org, if you haven’t done so already. Finally, please note that there is a small chance that the event may be subject to cancellation or room change at short notice if the room booked is needed for a select committee meeting, however this is unlikely and we will endeavour to arrange an alternative venue.
