LEWIS MOODY FOUNDATION - FUNDRAISING SUPPORT VOLUNTEER

75% of people diagnosed with a glioblastoma brain tumour will not survive for more than a year

28% of brain tumour patients have visual impairment

About The Foundation

Inspired by Joss Rowley Stark; a 15 year old boy who sadly died from cancer, England rugby legend, Lewis Moody, and his wife Annie, set up The Lewis Moody Foundation in May 2014. Since then, The Foundation has generated nearly £2m for The Brain Tumour Charity.

The Foundation is administered by The Brain Tumour Charity with 100% of funds raised going towards The Charity’s strategy to double survival and half the harm.

The Foundation team at The Charity support Lewis and Annie as well as many others in raising funds through various activities. This includes stewarding those taking on bespoke Foundation challenges each year.

How can you help?

We’re looking for a volunteer to help us look forward and build on The Foundation’s many successful events, by:

• Researching new, exciting fundraising opportunities including corporate partnerships and new events;
• Contacting third party suppliers to support existing and new events;
• Assisting the team to steward event participants;
• Sourcing branded materials such as medals and t-shirt when needed; and
• Packing materials for upcoming events.
