WHERE WE'LL BE

We'll have three cheer points along the route - your friends and family are welcome to join us! Just look out for The Charity flags!

*** Tower Bridge 12.5 MILES**

Iconic! We'll be stationed on the bridge on the runner's right, so run and look to your right and give us a wave!

*** Canary Wharf 20 MILES**

Join us on Poplar High Street at the London Marathons official charity cheer point! Guaranteed to bring the vibes to keep the motivation up!

*** Embankment 24 MILES**

Nearly there! When you pass the 24 mile mark, look out for us on your right so you can get one last boost before the finish line.

! Meet-up Point

You'll find us in the meet up points area H-M at Horse Guards Parade - you can see where this is on our map and by using What3words.

Look out for our branding to spot us easily, and our charity team will be wearing our charity coats and t-shirts to welcome you. If you are coming from the finish line in St James's Park we will be on the back right of the meet up area.
